

POWERKINETICS

Kinetics800A AVR

FEATURES

- ✓ Reliable Voltage Protection
- ✓ Wider Input Range to Handle Greater Variation
- ✓ Enhanced Surge Suppression Capabilities
- ✓ Internet Line Surge Protection
- ✓ Fire Retardant Plastic Casing
- ✓ Trendy and Compact

POWERKINETICS

Kinetics800A AVR

Home **Office** **School**

PC and Peripherals Protection
Outlet for your computer, monitor and other peripherals that need voltage regulation, surge and spike protection.

Power Cord
For easy connection to a wall socket.

Internet Protection
Protect your modem against power surges and spikes caused by lightning hitting the telephone line.

Kinetics800A is a reliable, compact and cost effective voltage regulator from PowerKinetics. It offers superior protection for computers and power sensitive equipment against harmful electrical irregularities.

FEATURES

Automatic Voltage Regulation
Instantaneously corrects all under and over voltages by closely tracking the input main supply condition.

Internet Line Protection

Protects against spikes and surges which travel through the Internet line.

Enhanced Surge Suppression Capabilities

Eliminates harmful electrical spikes and surges which are damaging to equipment. By arresting the spikes and surges, it also prolongs the life span of the connected equipment.

Wider Input Voltage Range

Intelligent circuitry and innovative design allows wide input voltage range.

Specifications

Model	Kinetics800A-3	
Power Rating	800VA	
Output Voltage	220V AC	230V AC
Output Waveform	Sinewave	
Output Regulation	±8%	
Input Voltage Range	185 - 260V AC	195 - 270V AC
Operating Frequency	50 / 60Hz	
Operating Temperature	0°C - 40°C	
Operating Humidity	<90% without condensation	
Altitude	<1000m above sea level	
Surge Protection	Phone / Fax / Modem / Internet line (2 wires, RJ11)	
No. of Outlet Sockets	3	
Dimensions WxHxD (mm)	183 x 75 x 151	
Weight (kg)	1.75
